

ELIGIBILITY	Offered at	Which GS-2025 subject test should you appear for? Either [A] or [B]		Alternative tests that are eligible instead of the GS-2025 test [C]		Eligibility i.e. the degree you need to have/ or you are currently pursuing and will appear for the final exam by July 2025.
		[A]The subject test which corresponds to the name of the program (below) OR see next column	[B] Alternatively, your scores in any of the following subjects will be considered if you tick the check-box indicating this at the time of registration for GS-2025	[C] GATE 2023-2025 exam scores/ JEST/ NET OR JRF qualifications from CSIR/DBT/ /ICMR/UGC/DBT		
Science Education (PhD only)	HBCSE, Mumbai	Science Education	-	-	-	Master's degree in any subject with not less than 5 years of study after Std. XII *Post Graduate Diplomas do not qualify as Master's degrees.
Computer Science & Learning, Information and Data Science (PhD or I-PhD)	TIFR Mumbai (School of Technology and Computer Science)	Computer Science & Learning, Information and Data Science. QP instructions at <a href="https://www.tifr.res.in/~academics/docs/CS_LIDS_sylabus_exam_instructions.pdf">https://www.tifr.res.in/~academics/docs/CS_LIDS_sylabus_exam_instructions.pdf</a>	Mathematics  Physics	Engineering students may apply using their GATE 2023-2025 scores in Electrical, Electronics and Communications Engineering, or Mathematics. The eligibility criteria for PhD/ I-PhD is the same as that for the GS-2025 test. This application is to be made via a link (available on our website on February 1, 2025). In case a student takes the Computer and Systems Science GS-2025 test and also submits a GATE score based application, the better of the two performances will be considered.	Engineering students may apply using their GATE 2023-2025 scores in Electrical, Electronics and Communications Engineering, or Mathematics. The eligibility criteria for PhD/ I-PhD is the same as that for the GS-2025 test. This application is to be made via a link (available on our website on February 1, 2025). In case a student takes the Computer and Systems Science GS-2025 test and also submits a GATE score based application, the better of the two performances will be considered.	<b>Eligibility for PhD:</b> MTech/ ME/ MCA/ MSc or any other equivalent degree in Computer Science / Electronics & Communications Engineering / Electrical Engineering/ related branches Or Mathematics Or Physics. 4-year degree holders (e.g. B Tech/ BE/ BSc) may be permitted to join as PhD students if they satisfy the criterion of a minimum aggregate score of 75%/ GPA 7.5 in their Bachelors' degree.  <b>Eligibility for I-PhD:</b> BSc (or any 3-year degree) in Computer Science/Electronics & Communications Engineering/Electrical Engineering/ related branches/ Mathematics Or Physics OR 4-year degree holders (e.g. B Tech/ BE/ BSc) scoring an aggregate score/GPA less than 75%/7.5 in their Bachelors'
Mathematics (PhD or I-PhD)	TIFR Mumbai (School of Maths) ICTS Bangalore (PhD only) CAM Bangalore (PhD) CAM Bangalore (I-PhD)	Mathematics Mathematics Mathematics (PhD at CAM) Mathematics	No other GS-2025 test score will be accepted	No other exam score will be accepted	No other exam score will be accepted	<b>Eligibility for PhD:</b> MA/ MSc/ M Math/ M Stat/ ME/ M Tech in any area of Mathematics/ Statistics/ Science/ Technology.  <b>Eligibility for I-PhD:</b> BA/ BSc/ B Math/ B Stat/ BE/ B Tech in any area of Mathematics/ Statistics/ Science/ Technology
CAM-ICTS Applied and Computational Maths (PhD only)	CAM Bangalore ICTS Bangalore	Mathematics	Physics	Some admissions based on GATE/ NET/ JEST scores in the relevant subjects are also possible. Details of how to apply will be available on the CAM and ICTS websites at an appropriate time.	Some admissions based on GATE/ NET/ JEST scores in the relevant subjects are also possible. Details of how to apply will be available on the CAM and ICTS websites at an appropriate time.	<b>Eligibility for PhD:</b> MA/ MSc/ M Math/ M Stat/ ME/ M Tech in any area of Mathematics/ Statistics/ Science/ Technology.
Biology (PhD or I-PhD)	TIFR Mumbai (DBS) NCBS Bangalore TIFR Hyderabad	Biology (JGEEBILS)	Computer Science & Learning, Information and Data Science Chemistry Physics	Some admissions based on GATE/ NET/ JEST scores in the relevant subjects, Ecology and Evolution GATE scores (NCBS only), or JRF qualifications from CSIR/DBT/ /ICMR/UGC/DBT are also possible. Only candidates in the top 5 percentile are eligible (e.g. if a total of 2000 candidates appeared for the exam, the top 100 ranked candidates are eligible). Such candidates may write to phd[at]ncbs.res.in for instructions on how to apply.	Some admissions based on GATE/ NET/ JEST scores in the relevant subjects are also possible. Details of how to apply will be available on the websites of NCBS and ICTS at an appropriate time.	<b>Eligibility for PhD:</b> Master's degrees in any branch of Biology/Physics/ Chemistry/Computer Science/ Mathematics/ OR 5-year degrees (e.g. MBBS, BDS) OR professional Master's Degrees (MPharm/ MTech).  <b>Eligibility for I-PhD:</b> Bachelors in any branch of Biology/Physics/ Chemistry/Computer Science/ OR any 4-year degree program that awards a "Bachelor's degree" including BTech, BE, BVSc, BPharm (4 year course). Candidates with a Master's degree in non-Biology disciplines may join as I-PhD students if they wish to obtain an MSc in addition to the PhD.
Physics of Life (PhD only)	ICTS Bangalore and NCBS Bangalore	there is no "Physics of Life" subject test	Computer Science & Learning, Information and Data Science Mathematics OR Mathematics (PhD at CAM) Physics	Some admissions based on GATE/ NET/ JEST scores in the relevant subjects are also possible. Details of how to apply will be available on the websites of NCBS and ICTS at an appropriate time.	Some admissions based on GATE/ NET/ JEST scores in the relevant subjects are also possible. Details of how to apply will be available on the websites of NCBS and ICTS at an appropriate time.	<b>Eligibility for PhD:</b> BE/ B Tech/ME/ M Tech/ MSc/MS degrees in Engineering, Physics, Chemistry, Mathematics or Computer Science.
Physics (PhD and I-PhD)	TIFR Mumbai ICTS Bangalore TIFR Hyderabad NCRA Pune	Physics	No other GS-2025 test score will be accepted	Some admissions based on GATE/ NET/ JEST scores in Physics are also possible. Details of how to apply will be available on the websites of TIFR-Mumbai, NCRA, ICTS, and TIFR-Hyderabad, at an appropriate time.	Some admissions based on GATE/ NET/ JEST scores in Physics are also possible. Details of how to apply will be available on the websites of TIFR-Mumbai, NCRA, ICTS, and TIFR-Hyderabad, at an appropriate time.	<b>Eligibility for PhD:</b> MSc/ MS or equivalent degree in Physics of duration not less than 5 years.  <b>Eligibility for I-PhD:</b> ME/ M Tech/ BSc/ BS/ BE/ B Tech or equivalent degree in Physics of duration not less than 3 years. Any other degree in Science / Engineering or equivalent, of duration not less than 3 years in total. (Students already having/ completing Master's degree by July 2025 are not eligible for I-PhD)
Chemistry (PhD or I-PhD)	TIFR Mumbai (DCS) TIFR Hyderabad	Chemistry	Biology Physics	Some admissions based on GATE/ NET/ JEST / JAM scores in the relevant subjects are also possible at TIFR-H only. The eligibility criteria for PhD/ I-PhD is the same as that for the GS-2025 test. Details of how to apply will be available on the TIFR-H website at an appropriate time.	Some admissions based on GATE/ NET/ JEST / JAM scores in the relevant subjects are also possible at TIFR-H only. The eligibility criteria for PhD/ I-PhD is the same as that for the GS-2025 test. Details of how to apply will be available on the TIFR-H website at an appropriate time.	<b>Eligibility for PhD:</b> MSc/ M Tech/ M Pharm or equivalent degree. 4-year degree holders (e.g. BE/ BTech/ BPharm or equivalent) may be permitted to join as PhD students if they satisfy the criterion of a minimum aggregate score of 75%/ GPA 7.5 in their Bachelors' degree. They will not be eligible for the MSc degree.  <b>Eligibility for I-PhD:</b> 3-year BSc/ BS or equivalent degree. 4-year degree holders (e.g. BE/ B Tech/ B Pharm or equivalent) with aggregate score/GPA less than 75%/7.5 in their Bachelors' degree may join as I-PhD students if they wish to obtain an MSc in addition to the PhD.
